

Below you will find the rates available for The Dream Maker - Banyak.

Prices and Schedule...

We pick you up at Sibolga airport then you'll go straight on to the ship where you will chill out in your cabin.

In order not to miss any day of surfing, crossing to Banyak islands will be done during the night (same for return). At dawn, you can already have your first surf in this pristine paradise.

There is a potential of about thirty waves, including twenty known waves and a dozen more secret.

The captain will share all this knowledge and his secret for finding the ideal conditions of the day.

The 2 European surf guides (speaking English, French, Spanish and Indonesian) in consultation with the captain will offer you many options that you will decide on.

Throughout the way, you will have the opportunity to choose a variety of other activities like walking on the beaches, snorkeling and spear fishing.
