In 2015 we have a 10,11 or 12 day trip schedule. The main advantage of visiting our retreat is our limited occupancy while our standard trip is all inclusive and includes your accommodation, food, and transport to the waves and activities around our island. Togat Nusa Retreat utilizes the services of a speed boat to the Mentawai Islands.

The dates you see below are trip dates, guests need to arrive in Padang the day before their trip date, as the speedboat leaves very early in the morning the first day of their trip. A hotel or homestay can be arranged within your budget. A departure flight on the last day of your trip after 6pm from Padang is an option. All trips are handled on a first come first served basis in regards to availability and transport schedules out to Togat Nusa Retreat.

Transportation

Upon your arrival in Padang, you will be met at the airport by a Togat Nusa Retreat representative, {transport around Padang is all included in your transport fee} who will escort you to your hotel. We will book your hotel for you, and guests can pay on arrival to hotel. We also recommend another nights stay on return to Padang. You will be picked up in the morning, please have breakfast at your hotel before leaving for your 7am departure. Brunch is provided en route to Togat Nusa Retreat on a private charter speed boat.
